**MEDJET** is the premier global air medical transport and travel security membership program for travelers. Accidents, illness and safety concerns can happen anywhere. **Medjet can get you home.**

**MEDJETASSIST** provides its members with coordinated hospital-to-hospital medical transfer if injury or illness occur during domestic or international travel, for business or pleasure. The Medjet **Member is transferred to their home hospital of choice**, regardless of medical necessity, for the cost of the membership and nothing more. With medical transport costs ranging from **\$30,000** to over **\$150,000**, why risk it?

**MEDJETHORIZON** includes all the renowned medical transport benefits of a MedjetAssist membership, plus worldwide travel security, crisis response and evacuation services. Members have access to our 24/7 travel security network for in-country response to a wide range of safety concerns and threats while traveling including terrorism, natural disaster, political threats, violent crime and wrongful detention. These safety concerns are sadly a growing reality for today's business traveler, even in places once considered "safe." MedjetHorizon can respond as soon as a member feels uneasy; there is no need to wait for government issued hard triggers or evacuation orders, which most travel insurance policies must wait for.

**Peter Greenberg, Author/Travel Editor,  
CBS News**

"Medjet does the best job for one very important reason. The fine-print disclaimers that you'll find in other policies are virtually eliminated ... I strongly advise you to consider this."

**Jena Gardner, President, JG Black  
Book of Travel**

"Medjet is a no-brainer as far as I'm concerned. Travel is my business; I travel almost constantly and I wouldn't go on a trip without them. I've seen Medjet in action and it's like having family take care of you."
